Access a board-certified doctor 24/7: When your own doctor isn't available, use LiveHealth Online to get care for cold, cough, flu, asthma, skin rash, muscle strain and more! Doctors can assess your condition and send prescriptions to the pharmacy you select, if needed.¹ It's quicker and easier than a trip to the emergency room or urgent care. Many of these services are available at no cost to you.

- LiveHealth Online isn't just for urgent care. Other commonly treated conditions include incontinence, insomnia, managing obesity, and smoking cessation.
- Spanish-speaking doctors are available by appointment seven days a week using Cuidado Médico on LiveHealth Online.

Visit with a licensed therapist: If you're stressed, anxious or having a tough time, use LiveHealth Online to talk with a therapist from the comfort and privacy of your home. In most cases, you can make an appointment and see a therapist in 4 days or less.² Appointments are available 7 days a week.

Members report high satisfaction ratings with using LiveHealth Online, as well as measurable cost savings compared to other care options

¹Prescription availability is defined by physician judgment and state regulations.

²Appointment availability is subject to the therapist's schedule.
